

Innovative Strategies. Measured Results.

Understanding trends is key to the strategic planning process. R&R assists with understanding your position in the “trend continuum” by providing benchmark information and comparative observations. Our tools and resources allow you to make informed, evidence-based decisions in the constantly changing world of healthcare.

Through use of our software platforms, we are able to do real-time plan designs and claims utilization (get away from the numerous spreadsheets and multiple meetings!).

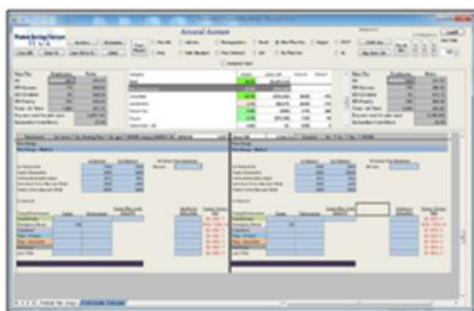

A. Plan Year-End Executive Summary/Financial Reports

B. Renewal Financial Projections

C. Cost/Benefit Analysis Of A Major Benefit Plan Change

D. Employee Contribution Analysis
