

# Wisconsin School Risk & Safety Scorecard

## How protected is your district?

Score each item 0 – 3:

0 = Not in place / Not aware

1 = Partially in place / Needs improvement

2 = Mostly in place / Minor gaps

3 = Fully implemented & reviewed annually

### Property & Building Safety

Your Score (0-3)

We conduct *documented* annual building/facility safety inspections.

Fire suppression, alarms, and emergency exits are up to date & tested.

Visitor management & exterior door access is controlled & monitored.

### Staff Safety & Workers' Compensation

Your Score (0-3)

We track staff injury trends and have a return-to-work program.

Slip/fall prevention programs are in place (especially custodial & food service).

We review our **Experience Mod** annually and understand what is driving it.

### Student Transportation / Buses

Your Score (0-3)

Driver qualification & training is documented and consistent.

Bus maintenance logs are centralized and audited.

Student pickup/drop-off areas have a traffic & pedestrian safety plan.

## Cybersecurity & Data Protection

Your Score (0-3)

MFA (Multi-Factor Authentication) is enforced for staff logins.

We have a written **incident response plan** for cyber attacks.

We conduct annual training to prevent phishing / ransomware.

## Insurance Program & Financial Stewardship

Your Score (0-3)

We review coverage forms annually to confirm district-specific exposures.

Our limits reflect current building valuations (not old appraisal values).

We have considered alternatives such as reciprocal programs vs. markets.

## Total Score

**0-20**

*High exposure.* Large opportunity to reduce risk & cost.

**21-33**

*Moderate exposure.* Some strong foundations; improvements recommended.

**34-45**

*Excellent program.* Maintain & periodically benchmark to remain competitive.
